

HALSEY LIDGARD SAILMAKERS

Halsey Lidgard Mystic's service department goes the distance.

We offer full service throughout CT, RI & MA. We will pick up your sails in the fall and deliver them in the spring. Over the winter, we will go over your inventory: checking for loose/broken stitching, missing/broken battens, and insuring accurate telltale placement.

SERVICES AVAILABLE

Convert an older sail to be used in a roller furling system
Luff tape conversions/additions • Add a sun cover/UV protection
Install foam/rope luffs for furling genoas
Storm Trysail and Storm Jib construction
Dutchman system conversions and/or installatons
Partial and full-length batten conversion
Upgrade standard battens to tapered and/or lightweight carbon battens
ATN sleeves including installation and an on-the-water demo
